Boggan 4

Dear Mrs Strickland and Mrs Edwards,

Some time ago I saw your notice to S.E. Mississippi Researchers posted at the archives. More recently I purchased a copy of Jasper County Ms census records. I am interested in your long range project of persons who migrated and would like to help.

My Boggan line fits your migration pattern - I am enclosing an ancestor chart. According to family tradition Anderson Boggan came to the Georgiana Ala area with his parents from Anson Co, NC. The family of Thomas Boggan is listed in the 1820 census of Wilcox Co, Al. I find them next in Butler Co, Al in 1830's - where the estate of Thomas was probated. Family history states they moved to Jasper Co around 1846 - The 1850 census of Jasper Co indicates Anderson and family. Many descendants remain in the Fellowship Community - Anderson married Abby Coleman Massengill whose family also came from Al. to Jasper Co. (The same Massengill as the old post office Massengill) Pleasant May Boggan married Sarah L. Sinclair whose family also came from Al - Sumter Co - and settled on the Jasper - Clarke line.

My Boggan family has a strong oral tradition I am in the process of documenting it - I do not

have in my possession (but have seen, and ^{Boggan 5} had some copies) of the type things you mentioned - family letters, Bible records, etc. There are cousins in Fellowship who could provide a wealth of information - but few of them are active in any genealogical organizations or historical societies - I do not want to send unwanted material or duplications, but I am willing to help try and locate specific information should you request. You mentioned ancestral charts - I have family group sheets for the majority of Anderson Boggan's descendants - from 1840's to present. If you are interested please let me know where I should send this information.

Sincerely,
Audrey Boggan Landrum
